

'tis true
If you've heard the rumors, we're here to set them straight . . .

RUTABEGORZ in TUSTIN* is closing their doors forever Thursday Oct 30, 2025.

Paul Berkman, original owner, opened Rutabegorz Restaurant in 1970 in Fullerton.
His second location brought him to Tustin in 1978. It's been nothing short of amazing
to have lasted over **47 years** in Ol' Town Tustin.
But, now . . . it's time to consider retirement.

The customers, their families and then THEIR families, City personnel, and a multitude
of long term employees have all been a mainstay to Rutabegorz rich history –

Oh, the stories we could tell!!

We make you happy and, in turn, you've made us grateful to have served you.

Thank you from the bottom of our hearts. We hope you'll stay with us until the end.
After that, we encourage you to go to our other 2 locations for your "Ruta-Fix"!

We will miss you!!
